While most outsiders to Annawadi would likely look upon these people and think instantly of only one word-poor-Boo shows that this designation is nothing but simplistic caricature. This led to a highly subjective form of justice, an example of which was the hanging of Ann Hibbins whose offense was simply being resented by her neighbor. As the story delves deep into the thought processes of both Juliet and Gemma, it was really interesting to see what they thought of one another, and how their past influenced the way each of them interpreted the other's actions and decisions, but also The Clash of One Mind their different interpretation and memories of their childhood became incredibly relevant in their present relationship.
