## **Free Market Environmentalism**

An outwardly simple tale of a linen weaver, it is notable for its strong realism and its sophisticated treatment of a variety of issues ranging from religion to industrialisation to community.

## **The Golden Silence**

It can be argued that this is excessively detailed, but I've yet to see an article where there's a more pressing need to have a slimmer bibliography section as opposed to a need to improve the referencing by adding more such meta data.
