There were too many gaps in the story concerning characters and situations, and I kept having the feeling that I was just being served awesome events without any explanation whatsoever. I don't want to give you any spoilers, but let's just say many characters proved to be more than what we had first thought - still, when you don't FULLY explain that and instantly jump on with the plot, not to mention how cool almost everyone was about the discoveries made, the reader is bound to feel somewhat empty. The opinion stated in this review is solely mine, and no compensation was given or taken to alter it.
