Painted Monsters & Other Strange Beasts

Spanning the century between Victorian Britain and the current struggle for power in South Africa, the book takes up the complex relationships between race and sexuality, fetishism and money, gender and violence, domesticity and the imperial market, and the gendering of nationalism within the zones of imperial and anti-imperial power. If the citation is after the full stop it means everything since start of paragraph or a previous citation which ever is closer to the end of paragraph citation.

The Shadow World: Book Two

A further point is that maximum charge pressure is increased from 0. He came and took the scroll from the right hand of him who sat on the throne.
